

Little River Trial Site

We are located just 20 minutes west of Moncton. Our trial site is tucked well behind our house on 20 acres on the Little River. With over 2000 feet of river frontage there is lots of room for dogs, people, and RVs.

Campers and RVers are welcome, however we do not offer any services with the exception of port-a-potties. There will be no fee for camping or RVing (but on the condition that you take your household garbage with you).
